Championship Series Teams and Liveries

However, iRacing reserves the right to limit the amount of cars in any given series that are carrying the same team insignia or primary sponsorship on a case-by-case basis.

All team liveries shown on official race broadcasts are subject to iRacing approval and can be rejected for any reason. iRacing will communicate a deadline for livery submissions to each driver in a separate bulletin prior to the start of the season. For parties looking to be involved with a World Championship series on a larger level, sponsorship of the series itself is available.
